Muscari armeniacum

The Muscari armeniacum is also known as the Grape Hyacinth. The small grapes form a lovely spring garden plant that can't be missed in any flower border. Combined with other perennials, this Muscari armeniacum makes a perfect combination of color. The dark blue-purple colors are indispensable for gardeners at the start of Spring. At De Vroomen, we sell these lovely flower bulbs to the USA and to Canada. Order your bulk bulbs Muscari armeniacum now.

Muscari armeniacum Grape Hyacinth

Muscari armeniacum blooms for several weeks in mid-spring and the Muscari armeniacum looks amazing when combined with other spring bulbs like daffodils, snowdrops, crocuses and hyacinths. At De Vroomen, we sell the whole Spring bulbs package for bulk prices. The bulbs are easily grown in average, well-drained soil. Plant the flower bulbs under trees, in borders, in meadows or along paths. Wherever these small spring flowers are planted, they will always steal the show.

Care for Muscari armeniacum

Muscari armeniacum doesn't need much care, this spring flower naturalizes easily. For the best visual impact, plant at least 20-25 bulbs together in a group. The blue shades cheer up every spring bedding. Deciduous shrubs or trees make a good spot for these flower bulbs. Also, in woods and in rock gardens these flowers look amazing.
